

**Need to Stay Connected?**

Do you have a need to connect with the case management industry but your economic situation is not optimal at present?

Whether your need is to maintain a certification or licensure, to network with other industry leaders, or to become a mentor to newer case managers, CMSNE wants you to stay connected.

**Member Discount Opportunity**

CMSNE is partnering with CMSA to offer a member discount for CMSA Membership to those who are unemployed due to retirement and not currently gainfully employed. The discount offer is as follows:

- CMSA National Dues - \$50
- Local Chapter Dues to New England Chapter (MA1) - \$0
- Discount is for one year period but discount may be applied for each year you are retired.

**Member Discount Qualifications**

In order to qualify for the CMSA Membership Discount, the individual must meet the following criteria:

- Has been a CMSA Member for 3 or more years
- Has recently retired or become disabled
- Retired members must be 59 ½ years or older
- Has been a member of CMSA within the last 2 years

If you feel you meet the above criteria, please complete this request form, and forward to the Case Management Society of New England for review and approval.
