Please note: All benefits apply equally to Extension co-chairpersons. Complimentary registrations for programs sponsored by the Chapter or another Extension are subject to review and approval based on demand and attendance limitations as stated above. This may result in a pro-rated benefit.

Example: An Extension-sponsored program projects a low anticipated turnout for a program. This results in higher than normal risk for suffering a monetary loss in order to cover meeting expenses. Two Chairpersons from the same Extension (not the host Extension) request complimentary registration to attend the program. The host Extension Chair(s), in conjunction with the President, decides if one, both or neither of the requesting Extension Chairs are allowed complimentary registration.

For programs sponsored by the Chapter, decisions regarding complimentary registration are made by the President and Program Chairperson.
