### Presented by:

Candice Leigher, BSN, RN, Nurse Educator, Vibra Hospital

Chronic critical illness is a serious and growing problem for the U.S. health care system and an emerging challenge in other countries.

Upon completion of this presentation participants will be able to:

- Identify 4 characteristics of the Chronic Critically Ill (CCI) patient
- Differentiate between critical illness and chronic critical illness
- Describe two issues related to CCI that are improved by mobility
- Name two interventions designed to reduce the risk of infection in the CCI patient

Prior registration and pre-payment is required by members and non-members to assure appropriate seating, dinner, course materials and 1 RN and CCM credit will be provided. Registration is \$15 CMSNE members and \$25 for non-members. Registration required by 4/11/19, registration after that date are subject to a \$5 late fee. **Register online and save \$5 at this link: <http://www.cmsne.org/ma-events/>** Or complete registration with payment and mail to chapter office.
