This program is made possible by support from

“The content and views presented in this program are those of the independent speaker, while CMSNE endorses the pursuit of educational opportunities attendees should exercise their own professional and independent judgment when interpreting the content of the program”.

Upon completion of this presentation attendees will be able to:

- Identify five strategies for supporting persons with cognitive, emotional and behavioral challenges.
- Apply the strategies to support persons with cognitive, emotional and behavioral challenges and contribute to rapport development.
- Discuss how these strategies have the potential to help the person improve his/her quality of life.

Prior registration and pre-payment is required by members and non-members to assure appropriate seating, snack, course materials, 1 RN and CCM credits.
