**Policy: #21-01**

**Date: 3/30/18 revised**

**Policy:** The CMSNE Chapter website will maintain 'links' to websites affiliated with our chapter.

**Objectives:**

The following Links will be included on CMSNE Chapter website:

- Case Management Society of America (CMSA) [www.cmsa.org](http://www.cmsa.org) – this link will provide direct access to our National organization, providing membership, networking and educational opportunities beyond the scope of the local chapter.
- Commission for Case Management Certification (CCMC) [www.ccmcertification.org](http://www.ccmcertification.org) – as CMSA and CCMC are now aligned in a collaborative association, CMSNE will endeavor to endorse and direct interested visitors to our website to this organization.
- CMSNE Corporate and Program Sponsors – links to current CMSNE Corporate Sponsor and Program Sponsor organizations as determined in established applications and program agreements. (i.e. Corporate Sponsors are recognized on a designated webpage on CMSNE.org, these links will be classified by level of support provided to CMSNE. Program sponsors based on agreement are recognized on designated conference or event listing page, this is considered a benefit of their financial support. A Program Sponsor is defined a vendor that provides financial support in the form of exhibit booth, grant, speaker, site, food and/or continuing education credits to the chapter.) Links to Corporate or Program Sponsors do not represent an endorsement by CMSNE of their products and/or services.
- CMSNE Public Policy Committee will provide approved links to be included on the Public Policy Web page that are associated with current legislation being supported by CMSA and CMSNE, such links will include legislative bills (Legiscan), government representatives, lobbyists, etc. Links to organizations working collaboratively with our organization on legislation will also be allowed if approved by the committee.
- CMSNE Social Initiative Committee will provide approved links related to the Social Initiative designated by the current President. These links will reflect additional education related to selected theme/topic. Links will be educational/research in scope and not endorse any products and/or services offered by independent organizations/vendors/suppliers.
