Dear Prospective Sponsor,

It certainly has been a challenging year with many changes experienced by all. CMSNE has made many changes to our operations and programming to address the new world we all live in. While we continue to coordinate and offer quality educational programming, we now offer these programs in the virtual world.

We are currently planning our May 2021 6th ***Caring for Frail Elders Conference - Rising to the Challenge: Transforming the care of Older Adults through innovation, education, communication and technology***. This year's conference will embrace the topics of new models and innovations in accessing care, Clinical Guidelines to Managing Depression in Older Patients, The Impact of Advanced Care Planning during the Pandemic and Understanding the Different Dementias, all topics that may attract the individuals that you seek to connect with.

While we are not able to yet meet in person, we are still soliciting virtual sponsorships/educational grants for the event. We are looking for 6 sponsors, one for each of the anticipated 4 speakers, one to sponsor the continuing education units for the series and the last to cover the technology/administration of the event. Each sponsorship is \$1000, but can be co-shared with another sponsor. Your organization could also offer an Unrestricted Educational Grant which could be utilized for the entire program. We anticipate approximately 75-100 attendees.

Each sponsor will receive the following benefits:

- Recognition of their sponsorship with their logo/link on all conference and session related publicity as well as on the CMSNE website. (CMSNE electronically distributes program announcements to 5000 healthcare professionals across the Nation)
- The opportunity to address to all registered attendees for 3-5 minutes prior to the beginning of assigned session.
- Inclusion of a customize slide in the webinar slide deck (slide provided by the sponsor).
- Post webinar database with registered attendee contact information.

Since our events are now virtual, the range of attendees has expanded well beyond the New England region, our annual conference attracted attendees from Hawaii, thus increasing your company's exposure. Your sponsorship of this May conference would help CMSNE continue to provide quality educational opportunities to Case Managers and other healthcare professionals.

If you have any additional questions and/or concerns, please feel free to contact Maureen Ferguson at the CMSNE chapter office at CMSNE@CMSNE.org or 603-329-7481. Thank you again for your support.

Sincerely yours,

CMSNE Caring for Elders Conference Committees
