

Special Thanks and Appreciation to our conference sponsors for without their support we would not be able to bring you this offering.

Acceptance of support from sponsors in no way implies endorsement of their products and/or services by CMSNE, the program's accreditation agencies and session speakers.

We Offer a Wide Array of Treatment Options At AdCare, we offer a wide range of addiction treatment programs to accommodate each patient's unique situation. Located throughout New England, our inpatient, outpatient, and family services are run by a compassionate team of addiction treatment professionals who are ready to guide you on the road to recovery. Experience matters. For 45 years, AdCare has provided life-changing substance use treatment at its level-4 hospital in Worcester, MA. AdCare also operates a residential treatment program in North Kingstown, RI, outpatient programs in MA and RI, and comprehensive telehealth services. AdCare joined American Addiction Centers, a national treatment provider, in March of 2018.

Care Dimensions is the largest hospice and palliative care provider to adults and children in Massachusetts. As a non-profit, community-based leader in advanced illness care, Care Dimensions provides comprehensive hospice, palliative care, and grief support in more than 100 communities in Massachusetts. Care Dimensions was founded in 1978 as Hospice of the North Shore, and cares for patients wherever they live - in their homes, in skilled nursing facilities and assisted living communities, in hospitals, or at our two inpatient hospice facilities. Additionally, Care Dimensions HomeMD program provides in-home primary care to patients over age 65 in select communities on the North Shore and Greater Boston who have difficulty leaving home.
