

***Innovations in Orthopaedics –
How New Innovations Impact the Case Manager’s Toolbox***

**Special thanks and appreciation
to our conference sponsors.**

**A hard copy listing of sponsors with contact information can be downloaded from the
conference handout webpage.**

**Acceptance of support from these sponsors in no way implies endorsement of their products and/or services by
CMSNE, the program’s accreditation agencies and session speakers.**

A leading healthcare at home company delivering personalized home health, hospice, personal care and high-acuity care services, Amedisys is focused on delivering the care that is best for our patients, whether that is home-based personal care; inpatient hospital, palliative, and skilled nursing facility care in their homes; recovery and rehabilitation after an operation or injury; care focused on empowering them to manage a chronic disease; or hospice care at the end of life. More than 3,000 hospitals and 90,000 physicians nationwide have chosen Amedisys as a partner in post-acute care. Amedisys is dedicated to delivering the highest quality of care to the doorsteps of more than 445,000 patients in need every year, performing more than 11.5 million visits annually.
