New Hope works throughout South-Central and Southeastern Massachusetts with those affected by domestic and sexual violence. By building an anti-violence movement, we seek to create communities free from violence, where individuals and families are able to achieve their full human potential. As an organization dedicated to social justice, New Hope encompasses a way of seeing, naming, understanding, and acting aimed at addressing inequality and oppression across society.

Our vision is a simple one, "Every person has the right to live a life free of violence and exploitation."

New Hope is a 501(c)(3) non-profit organization serving those affected by domestic and sexual violence.
