Dear Prospective Sponsor,

CMSNE has made many changes to our operations and programming over the last few years to address the new world we all live in. While we continue to coordinate and offer quality educational programming, we found that Case Managers prefer to attend programs from the relaxing comfort of their own homes. In an effort to address our memberships preference we will again offer this conference virtually this year.

We are currently planning the CMSNE 2025 hospital-based case management conference, ***Enhancing Your Case Management "Superpower"! Contributing to Successful and Sustainable Outcomes in 2025*** to be held in two parts on Saturday, January 25 and February 8, 2025 virtually. This year's conference will embrace the topics of readmission and regulatory compliance, complex disease case management, system and policy capacity challenges and the changing insurance landscape. We are thrilled to have secured nationally renown speakers to share their knowledge with our conference attendees.

We are looking for 9 sponsors, one for each of the anticipated 6 sessions, 2 to sponsor the continuing education units for each day and the last to cover the technology/administration of the event. This year we have 2 options for your consideration a sponsorship which provides you the opportunity to speak to the attendees live on the day of your sponsorship (\$500) or a virtual advertisement (\$400). Your organization could also offer an Unrestricted Educational Grant which could be utilized for the entire program. We anticipate approximately 75-100 attendees.

Each sponsor will receive the following benefits:

- Recognition of their sponsorship with their logo/link on all conference and session related publicity as well as on the CMSNE website. (CMSNE electronically distributes program announcements to 4000 healthcare professionals across the Nation)
- Sponsor highlight on CMSNE's Facebook and LinkedIn feeds
- The opportunity to address to all registered attendees live or via videorecording for 3-5 minutes prior to the beginning of assigned session. Anticipated attendees 75-100 Acute Care Case Managers. With a complimentary registration to attend the conference the day of your sponsorship.
- Inclusion of a customized slide in the webinar slide deck (slide provided by the sponsor).
- Post webinar database with registered attendee contact information.

Each virtual advertiser will receive the following benefits:

- Recognition of their sponsorship with their logo/link on all conference and session related publicity as well as on the CMSNE website. (CMSNE electronically distributes program announcements to 4000 healthcare professionals across the Nation)
- Sponsor highlight on CMSNE's Facebook and LinkedIn feeds
- Inclusion of a customized slide in the webinar slide deck (slide provided by the sponsor).
- Post webinar database with registered attendee contact information.

Since our event is virtual, the range of attendees has expanded well beyond the New England region, thus increasing your company's exposure. Your sponsorship of this event would help CMSNE continue to provide quality educational opportunities to Case Managers and other healthcare professionals.

If you have any additional questions and/or concerns, please feel free to contact Maureen Ferguson at the CMSNE chapter office at CMSNE@comcast.net or 603-329-7481. Thank you again for your support.

Sincerely yours,

CMSNE Annual Hospital Based Case Management Conference Committee
