

**FREE CEU EVENT – 1 CREDIT**

## *Beyond the Fog:* **The Complexities of the Grieving Brain**

**THURSDAY, JUNE 19, 2025  
4:30PM - 5:30PM**

Grief can be overwhelming — emotionally, physically, and neurologically - whether the loss is your own or that of a client or patient. This CEU presentation explores how grief affects the brain, why it's so difficult to process the permanence of loss, and when the grieving process may evolve into Prolonged Grief Disorder. Learn science-based insights and supportive techniques to better assist individuals through their grief journey.

*Presented by*  
Jaye O'Connell, MS, LSW, CAIP, CAGCS  
Certified in Mindfulness
