Bristol Hospice is graciously committed to our mission that all patients and families entrusted to our care will be treated with the highest level of compassion, respect, and quality of care. Guided by these values, Bristol Hospice is honored to be an innovator; utilizing non-pharmacological methods of comfort and going above and beyond what is expected by hospice care standards. We hope to give "Light to Life" for each patient at their end-of-life. In so doing, we have the honor to provide additional methods of care, comfort and support for the patient, their families, caregivers and loved ones.

Guardian Recovery provides comprehensive substance use and mental health treatment for adults and adolescents nationwide. With facilities in Florida, New Jersey, Maine, New Hampshire, Texas, and Colorado—plus virtual programs—Guardian is redefining behavioral healthcare. Our philosophy is simple: deliver the quality of care we'd want for ourselves or loved ones. Through a national network of centers, we offer evidence-based, compassionate programs tailored to each individual's journey. We believe recovery is possible for everyone. Our integrated, whole-person approach—mind, body, and spirit—empowers clients to overcome challenges, reclaim their lives, and realize their full potential. Transformation isn't just possible—it's our promise.
