

# CALLING ALL *Pediatric Case Managers!*

## JOIN CMSNE FOR A PEDIATRIC ROUNDTABLE: A MEET & GREET CONNECTING PEDIATRIC CASE MANAGERS

MODERATORS MICHELE WISEMAN, RN, BSN, CCM, PEDIATRIC NURSE CASE MANAGER  
& MARY MCNULTY, RN, MSN, CCM, ACM-RN

**THURSDAY, APRIL 30, 2026 | 2 PM EST**

Pediatric case managers practice across hospitals, outpatient clinics, community-based programs, home based services, and schools to meet the needs for complex children, without a consistent forum for connection and collaboration. This facilitated conversation brings together pediatric case management professionals to build professional connections, share experiences, and discuss common challenges and gaps across care settings. Together, participants will explore solutions to improve care coordination for children and families while supporting the continued growth of the CMSNE Pediatric Special Interest Group.
