

CMSNE 2026 Annual Maine Conference

Steering Your Case Management Practice Toward Success

Friday, September 25, 2026 8:00 AM – 4:30 PM
In-Person Elk's Lodge, Portland, ME

Purpose Statement

Steering Your Case Management Practice Toward Success will provide healthcare and case management professionals with practical professional and personal tools, which are designed to help navigate today's rapidly changing environment.

The program will support the evolving role of case managers with emerging content updates including Dementia care in the home, the current vaccine landscape, regulatory updates in Utilization Review, collaboration on innovation strategies supporting healthcare, and a critical closing session on Case Manager wellness.

Participants will leave with actionable strategies to remain resilient, collaborative, and effective within today's healthcare system.

Overall Conference Objectives

Upon completion of this conference the attendees will be able to:

1. Describe the benefits of the GUIDE model of managing dementia patients in the home.
2. Discuss the national, local and ethical impact of changes to mandatory vaccine schedules through both patient and public health lenses.
3. Summarize the impact of recent changes in Utilization Management.
4. Examine the journey real-world innovators are navigating to advance Case Management practice and patient care.
5. Embrace and integrate Case Manager self-care tools to positively influence our own wellness.
